

NXDC was proud to be an exhibitor and supporter of the American Association of Neurological Surgeons Annual Scientific Meeting 2019 in San Diego, CA and we are already looking forward to AANS 2020 in Boston, MA.

Thank you to all who attended our Lunch-and-Learn Seminar on Fluorescence-Guided Surgery with our key speakers Steven Kalkanis, MD and Nadar Sanai, MD.

If you missed us at AANS, be sure to come see us this October at the Congress of Neurological Surgeons Annual Meeting 2019 in San Francisco, CA!
